

Reading is one of the most important skills your child will learn at school. At Montem Academy, we use the Oxford Reading Tree scheme to ensure that every child has the best opportunity to become a confident reader.

***Oxford Reading Tree*** – the much loved and most comprehensive reading program – has taught millions of children to read, all over the world.

**What makes *Oxford Reading Tree* so successful?**

- It's a child's world: the loveable characters accompany students every step of the way, from phonics through to the excitement of the rich Biff, Chip and Kipper stories.
- It's based on levelling you can trust: Each ***Oxford Reading Tree*** stage includes a breadth of reading, with small, gradual steps in levelling to help every child progress.
- It includes a comprehensive range of support material for group and independent reading. Each book has notes for parents, too.
