

Dear Parents and Carers,  
Please support your child in choosing **two** projects to complete.

The final date to hand in the project work is Friday 20<sup>th</sup> April 2018. Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

Thank you.

### PROJECT 1

#### Visit a Country in the UK

Imagine you are going on a trip to one of the four countries in the UK – England, Scotland, Wales and Northern Ireland. Write sentences to describe what it would be like to visit.

- What is the famous food for the country?**
- What landmarks can you find?**
- What would the weather be like there?**
- What activities could you do?**

### PROJECT 2

#### Become an Artist

Think about the different landmarks which you may find across the UK and create a landscape image.

You can use:

- pencils
- paints
- collage
- pastels.

Montem Academy

QUENCHING MY THIRST FOR KNOWLEDGE

## YEAR 1

# The United Kingdom

### PROJECT 3

#### Food, Glorious Food!

Choose one of the 4 countries, England, Northern Ireland, Scotland or Wales, and find out about a local dish! See if you can make a simple food dish from the country. Make sure to have an adult to help! Take photographs or bring the food in to show your class.

### PROJECT 4

#### Capital Cities

Research one of the capital cities and present your findings.

Remember that

London is the capital city of England

Belfast is the capital city of Northern Ireland

Cardiff is the capital city of Wales

Edinburgh is the capital city of Scotland

### PROJECT 5

#### Wish You Were here!

Draw a map of the United Kingdom and label the four countries.

Next, think about all the places that you and your family may have visited before and label them on the map.

Finally write a description of what you did and what you enjoyed about your time there.
