

Dear Parents and Carers,
Please support your child in choosing two projects to complete.

The final date to hand in the project work is...

Monday 31st October 2016

Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

PROJECT 1

What is your favourite toy?

Write a sentence or two to say what your favourite toy is. Answer these questions to tell us more about it.

- What words best describe your toy?
E.g. soft, hard, fluffy
- What is your toy made of?
- Why do you like it?

PROJECT 2

Create your own poster

Pretend you are selling a favourite toy from the past.
Design a poster to make sure that a lot of children will want to buy it.

Montem Academy 

Project Passport

QUENCHING MY THIRST FOR KNOWLEDGE

Toys from the past

PROJECT 3

How can you toys from the past be improved?

The children can make a toy from the past e.g. puppet, peg doll and decide how they could change it to make attractive to children today.

PROJECT 4

Investigate: How have toys changed?

Research toys through the ages to answer these questions:
What sort of materials are old toys made from?
What are new toys made of?
What do you think works well about old toys?
How could we change them?
What can the old toys tell us about children in the past?

PROJECT 5

What toys did children play with in the past?

Ask your parents and grandparents about the toys they played with and bring a picture or the toy and tell your class about it.
