

Dear Parents and Carers,
Please support your child in choosing two projects to complete.

The final date to hand in the project work is

Monday 31st October 2016.

Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

QUENCHING MY THIRST FOR KNOWLEDGE

Continents and Oceans and Seas

The Continents and Oceans

PROJECT 3

Junk Modelling

Using junk materials from your home, create a model of the earth with the continents, oceans and seas clearly labelled

You may want to use:

- Cereal boxes
- Paper
- Tissue paper
- Paint

PROJECT 1

Diary Entry

Write a diary about a country that you have been to. Remember to include what continent it is in and if it is surrounded by any oceans. You might also want to include what seas in that country you have visited.

For example: Thailand is surrounded by the Indian Ocean and is in the continent of Asia.

PROJECT 4

Investigate

Create a PowerPoint presentation for a year one child, giving them information about one of the 7 different continents, an ocean or a sea.

Remember to research your facts first so that they are accurate.

Continents:

North America

South America

Africa

Europe

Asia

Oceans:

Pacific Ocean

Atlantic Ocean

Indian Ocean

PROJECT 2

Create your own art work

Choose and then accurately draw a continent, labelling its mountains, oceans, seas and countries.

You may decide to use:

- Paint
- Chalk
- Tissue paper
- Colouring pencils
- Crayons

PROJECT 5

Wish you were here!

Draw a map of the World and label the continents, oceans and seas.

Next, think about all the places that you and your family may have visited before and label them on the map.

Finally write a sentence about what you did when you were there and why you went.
