

15th September 2017

To all Parents/Carers

We're pleased to advise that the School Photographer will be visiting Montem on Friday 22nd September.

Individual photographs of the children will be taken throughout the day and will be available to buy should you so wish to.

Unfortunately, due to the low level of up take last year, we will not be able to facilitate family group photographs this year.

Yours sincerely

Ms A. Probert
Executive Principal
