

18th September 2017

Dear Parents/Carers,

TEAM MONTEM at Cancer Research UK's Shine

Shine is Cancer Research UK's marathon night walk, bringing people from across the UK together to light up London and fund life-saving research.

I'm delighted to inform you that a team of staff members will be representing Montem Academy at the Cancer Research UK Shine Half-Marathon Night Walk this Saturday (23rd September).

If you would like to support our team please go to our fundraising page:

<https://fundraise.cancerresearchuk.org/team/team-montem-1>

I'm certain you will join me in wishing them good luck on Saturday.

Yours sincerely

Ms A. Probert
Executive Principal
