

WE ARE  
MACMILLAN.  
CANCER SUPPORT

26<sup>th</sup> September 2017

Dear Parents/Carers

As some of you may be aware Friday 29<sup>th</sup> September is a National Awareness Day for Macmillan Cancer Support.

Montem Academy will be supporting Macmillan by selling some delicious cakes after school on this day (Friday 29th at 3.30pm).

All the money raised from cake sales will go to help Macmillan to support people and families affected by cancer.

Please could children bring in cakes either homemade or shop bought for the sale. If you are donating homemade cakes please provide an ingredients list.

We hope to see as many people there as possible enjoying the delicious cakes and raising lots of money for this very worthy charity organisation.

Yours sincerely

Mr D. Stewart  
Associate Principal
