

Early Years After-School Clubs

3:30pm - 4:00pm

Little Explorers Club

In this club we will be investigating using scientific experiments such as volcanos and weird weather and under the sea.

Wk1: Under the sea.

Wk2: Volcanos

Wk3: Weird weather

EYFS Curriculum Links: PSED, C&L, UW

Pet Club

In this club we will be teaching your child everything they need to know about caring for a guinea pig, as this will be our new Reception pet. **If your child has an allergy to fur, PLEASE**

DO NOT sign up for this club.

Wk1: Naming the new pet

Wk2: Getting to know the new arrival

Wk3: How to care for the guinea pig

EYFS Curriculum Links: PSED, C&L, UW

Gardening Club

In this club we will be teaching the children the importance of looking after the seeds and plants that they grow. We will also be learning about healthy eating and having lots of fun.

Wk1: Preparing the soil

Wk2: Caring for our seeds/plants

Wk3: Recording what we have learnt so far.

EYFS Curriculum Links: PSED, C&L, UW

Tasty Treat Club

In this club we will be baking some delicious sweet and savoury dishes.

The children will be learning basic hygiene and safety skills whilst creating some yummy treats to share.

If your child has any allergies, PLEASE DO NOT sign up for this club

EYFS Curriculum Links: PSED, C&L, UW

Muddy Kitchen Club

In this club the children will have the opportunity to concoct and create using glorious mud! They will be able to make 'recipes' mixing natural materials and use their imagination to explore this glorious resource.

EYFS Curriculum Links: PSED, C&L, UW, EAD.

Forest School Club

In this club, the children will have the opportunity to create art outside as well as pond dipping and den building and they will work together with their friends to problem solve and explore outside in a different way.

Wk1: Pond dipping

Wk2: Den building

Wk3: Art in nature

EYFS Curriculum Links: PSED, C&L, UW, EAD.
