

4th January 2018

Dear Parents/Carers,

Some of you will know that we ran a Film & TV workshop last term with our Year 6 children. The children loved it so much that we are decided to invite MN Academy to deliver an after school club with us this term.

The After School Film Making Club will run on Wednesdays from 3:30- 4:30pm and will start on 17th January 2018. The cost for 10 hourly sessions is £70. You must register your interest asap if your child wishes to join.

Over the course of 10 weeks, the children will have the opportunity to work both in front and behind the camera. Each session will involve various exercises that serve to highlight different elements of film making, including on screen acting, directing and camera operating. On completion of the term, the children will receive an edited copy of the short film that they created.

Please see leaflet on the back of this page for more information.

If you would like your child to take part in this exciting club please contact MN Academy directly by email (info@mnacademy.co.uk) or telephone (07749 963 380) to register your interest with your child's name, age, medical conditions and your contact phone number.

Yours sincerely,

Mrs S Malcolm
