15th January 2024

Year 3: Mosaic Afternoon

Dear Parent/Carers,

At Montem Academy, we are committed to providing a curriculum, which is broad and balanced, and provides our pupils with opportunities to gain essential knowledge and understanding that will enable them to flourish and reach their full potential academically, physically and artistically. We strongly believe that learning takes place within the school and beyond, and that working closely with the wider school community, including parents, play an essential role in children's education.

On the afternoon of **Wednesday 7th February**, children will have the opportunity to design and create their own mosaic artwork, linked to Year 3's current topic on the Romans. We would like to invite parents / carers to attend with them. This will be a great opportunity to come together as a community and enjoy some time with your children, learning a bit about what they have done over the half term. Each child can attend with **one or two** parents / adult carers. Unfortunately, younger siblings will not be able to attend.
