MONTEM ACADEMY

Everyone to Excel through Pride and Ambition

28th September 2023

Expression of Interest: World Children's Parliament for COP28

Dear Parent/Carers,

At Montem Academy, we are committed to providing a curriculum, which is broad and balanced, and provides our pupils with opportunities to gain essential knowledge and understanding that will enable them to flourish and reach their full potential academically, physically and artistically.

We strongly believe that learning takes place within the school and beyond. As a result, we are excited to for school councillors from Years 5 and 6 to be a part of the first ever World Children's Parliament for COP28. This will be a 90-minute session with the topic '*How Do We Best Protect The Planet Darwin 200-Style?*'.

The Children's Parliament brings together Primary School aged children from all over Great Britain to debate pressing issues of our time with the adults nominated to make decisions on our behalf. Their mission is to inspire and empower children to be informed, open-minded, responsible, and active citizens who will shape society and drive impact in the future. Our School Council at Montem bring together the views of their peers and this is a great opportunity to share the views of the children of Montem and talk to children across the country about the same issue.

Year Group	5 and 6
Date	Wednesday 29 th November
Cost	Free
