15th January 2024

Year 4: Greek Vase Painting Afternoon

Dear Parent/Carers,

At Montem Academy, we are committed to providing a curriculum, which is broad and balanced, and provides our pupils with opportunities to gain essential knowledge and understanding that will enable them to flourish and reach their full potential academically, physically and artistically.

We strongly believe that learning takes place within the school and beyond. As part of our personal development curriculum each year group is having the opportunity to incorporate art with History and the children would like parents to join them in this experience. This art session is linked to our topic and Big Read book. This half term, Year 4 are learning about the Greeks and are reading 'The Mark of The Cyclops'.

On the afternoon of the **5th of February** children will have the opportunity to create their own Greek vase design. We would like to invite parents / carers to attend with them. This will be a great opportunity to come together as a community and enjoy some time with your children, learning a bit about what they have done over the half term. Each child can attend with **one or two** parents / adult carers. Unfortunately, younger siblings will not be able to attend.

We are looking forward to seeing you there.
