

## READING

Children will be looking at a big book about whales. They are going to explore the text, learn and discuss new vocabulary. They will also answer some literal questions by retrieving information from the text.

## MATHS

Children will be estimating and counting the animals in the story, as well as comparing and ordering lengths of whale images using non-standard units.

## TOPIC

Children will be following a whales journey around the world and learning about the different places and climates.

## SCIENCE

Children will be sorting and classifying creatures. In addition to this they will be finding out about habitats and diet.

## WRITING

Children will be writing captions, postcards and sentences based our story called 'The Snail and the Whale' by Julia Donaldson as well as exploring rhyme and matching pictures to words.

## PSHE

Children will be discuss and think about their abilities. Their discussions will be based on 'Is there anything that you thought you couldn't do, but you managed to when you tried?'

# Year 1 Whales
