

READING

Children will be looking at a non-fiction text. They are going to explore the text, discuss the new words find their meanings. Also they will answer some literal questions retrieving information from the text.

WRITING

Children will be writing a non-chronological report about the crocodiles. They are going to research about their appearance, their habitats and their diets to find facts to use in their writing.

MATHS

Children will be estimating and counting as well as comparing numbers using 'greater than $>$ ' and 'less than $<$ ' remembering that the crocodile likes to eat bigger numbers.

TOPIC

Children will find out where Africa is on the map and how far it is from where they live. They will also explore Google Earth to find the biggest, brownest, muddiest river in Africa!

SCIENCE

Children will be sorting and classifying crocodiles. In addition to this they will be finding out about habitats and diet.

Year 2 Crocodiles
