

## Year 4 The Earth

In Literacy, Year 4 will be reading, studying and writing a range of poems about trees. The children will be focusing on similes, metaphors, powerful adjectives, repetition, rhyme and alliteration.

In Science, Year 4 will be looking at Our Changing World topic. The children will learn to identify features of plants and classify trees according to their leaves.

In Art, Year 4 will use nature as inspiration. The children will draw leaves in pencil and colours before printing them and making paper leaves. They will have a chance to make nature collages and clay models of a natural object.
