

Year 5 Elements: Air

In Year 5, children will be creating some interesting projects involving Art, Literacy and other fantastic pieces all based on our element Air.

Art:
In our Art lessons, children will have a chance to create dandelions, abstract air on canvas and trees blowing in the wind using different types of paints and skills to create these beautiful pieces.

Literacy:
Children will be exploring mind blowing news reports about Tornadoes which are fascinating. They will be looking at the text, identifying features and creating their very own eye catching news report to share.

Geography:
In our Geography lessons, we will be learning about Extreme weather such as Tornadoes and Hurricanes. We will be looking at the cause, effect and fascinating facts about these which will help us to create a fact file.
