

Dear Parents and Carers,
Please support your child in choosing two projects to complete.

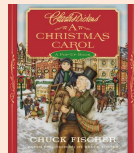

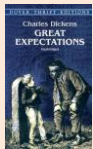

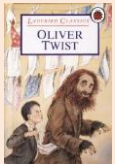

The final date to hand in the project work is the 19th February 2018. Then the children will have a celebration day when they share the projects they have completed at home with your help.

If you have any questions, please ask your child's class teacher.

PROJECT 1

Write an **alternative ending** to one of Charles Dickens' stories. You can choose from exciting stories such as Oliver Twist, A Christmas Carol and Great Expectations. Be creative! What could happen to the characters?

PROJECT 2

Carry out research on a Victorian artist, e.g. Claude Monet, Pierre-Auguste Renoir, Alfred Sisley, Frédéric Bazille, Vincent van Gogh. Create your own piece of art in the style of your chosen artist.

QUENCHING MY THIRST FOR KNOWLEDGE

YEAR 6

THE VICTORIANS

PROJECT 3

Think about the key inventions from the Victorian time period. For example: bridge, train, motor car, camera, telephone, telegram and light bulb. Create a **replica** based on the designs from the Victorian era.

PROJECT 4

Create your own silent movie!

Research silent films and think about what props, costumes and sound effects you could use to create your own. You can use video cameras, mobile phones and computers to put your film together.

PROJECT 5

Make a **flip book** to show the changes that the British Empire went through during the Victorian era. What changes can you identify? How can you show the growth of the Empire?
