To everyone involved in the Montem Academy, Harvest Collection

Thank you to all the school children who brought an item of food along to the Montem Academy School during their Schools' Harvest event. The food weighed in a total 219.8kgs, which is equivalent to 236 to 240 individual meals. It just goes to show what a difference we can make to people's lives when we all work together towards a common purpose. When we live in comfortable homes surrounded by our loving families, it is easy to forget that others are not so fortunate. The food that you provided has made life a little more comfortable for local people who are in crisis.

We anticipate that 2018 will be challenging for people who are teetering on the brink, and we are extremely grateful that your donations allow us to support families and individuals who are most in need.

Our wish list going into 2018 is:

- Custard
- Deodorant
- Laundry tablets/ capsules
- Long life fruit juice
- Long life milk
- Pasta sauce
- Razors
- Sanitary towels
- Shampoo
- Shaving foam/ gel
- Tinned fish
- Tinned fruit
- Tinned meat
- Tinned peas or carrots
- Tinned sponge puddings

For supporters who do not routinely go to a supermarket, Slough Foodbank is also keen to accept cash donations or Tesco vouchers, which enable us to purchase items which are running low.

We anticipate that 2018 will be challenging for people who are teetering on the brink, and we are extremely grateful that your donations allow us to support families and individuals who are most in need.

Thank you for your on-going generous support.

Kind regards and best wishes for 2018
