Dear Parents/Carers,

Re: Charity Cake Sale

As you may know Montem Academy is a keen supporter of the Performing Arts with our thriving after school choir and dance club.

Moving forward we would like to encourage more children to take part in these fantastic after school clubs and we would also like to participate in more Performing Arts related events.

To assist with this we would like to increase the number of costumes that we have available for the children to use and, therefore, will be carrying out fund raising to help with this.

As such we will be holding cake sales next week during the children's break time (Monday; Tuesday and Wednesday) and therefore would appreciate it if you would donate cakes for us to sell. If we have enough donations we are hoping to hold a cake sale after school as well.

Please could children bring in cakes either homemade or shop bought for the sale every morning next week. If you are donating homemade cakes please provide an ingredients list. If your child would like to buy cakes during the break time please ensure he/she brings in a (small amount) of money.

We hope to see as many people there as possible enjoying the delicious cakes and raising lots of money for our Performing Arts clubs.

Yours sincerely

Mr D. Stewart
Associate Principal
