

Montem Academy

28th February 2018

Dear Parents/Carers

From the 9th March to the 18th March, it will be National British Science Week. I am pleased to announce there will be a Science Day at Montem Academy on the Thursday 15th March where the children will be carrying out exciting Science investigations focusing on the theme of 'Keeping Healthy'.

Parents are invited to come into their child's classroom to see the investigations taking place. There will be 2 separate sessions – the first session will run from 9:30 to 10:00 a.m. whilst the second will run from 10:00 a.m. to 10:30 a.m. There will be a **limited number of spaces of 5 parents per classroom for each session** so please return the slip below (by Friday 2nd March) if you are interested in attending as it will be on a "first come first served" basis.

Yours sincerely

Miss D. Gill
Director of Teaching and Learning /
Science Co-ordinator

.....
ONLY 5 PLACES AVAILABLE PER SESSION for the Science Day on 15th March 2018

Child's Name Class

I would like to attend the Science morning in my child's classroom on Thursday 15th March 2018.
