

21st March 2018

Dear Parents/Carers,

RE: BREAKFAST CLUB

As you know we offer a very successful Breakfast Club for our children which runs from 08:00 to 08:45 a.m. every school day morning.

Children need to be registered for this club since we need to ensure that we have enough members of staff to supervise the children – it is **NOT A DROP** off childcare service and therefore, as a rule, we **cannot** take children who are not already pre-registered for Breakfast Club.

Of course we do understand that emergency situations do arise and we will always try to assist wherever possible. In such cases, however (for administrative purposes) the cost of attending Breakfast Club for that particular session would be £5 per child.

If you require any further information concerning Breakfast Club please contact Mrs Gibbons on 01753 528050.

Yours sincerely

Ms A. Probert
Executive Principal
