

Dear Parents,

The National Curriculum that children follow in English primary schools places great emphasis on correct spelling and at the end of Year 6 every child sits a spelling test.

Learning to spell well is extremely useful if we want our children to become confident writers. If they are constantly stopping to think about how words are spelled while they write, it can interrupt the flow of their thoughts, taking them away from what we want them to be thinking about: their choice of words and how they construct those words into sentences that communicate exactly what they want to say.

Please find on the two pages below this letter the spelling list that pupils are expected to spell at the end of each year group/phase. There are 100 words for years 3/4 and 100 words for Years 5/6.

During this holiday please practise these words at home. If your child learned to spell two new words each day; they would have mastered 80 words before returning to school in September.

Pupils entering years 5 and 6 should be able to spell all of the words from the Year 3/4 word list.

I thank you for your continued support.

Regards

Ann Probert  
Executive Principal

### Notes and guidance (non-statutory)

Teachers should continue to emphasise to pupils the relationships between sounds and letters, even when the relationships are unusual. Once root words are learnt in this way, longer words can be spelt correctly, if the rules and guidance for adding prefixes and suffixes are also known.
