

Action plan for autumn term:

Date: 10/10/2016

Present: SY, Mr Hendry, Mr Khalid, LA, MD, HA, SJ

<u>Project</u>	<u>Action</u>	<u>Outcome</u>
<p>1) Food wastage:</p> <p>Eco monitor to investigate the food wastage in the school by weighing.</p> <p>Children to investigate food waste and compare Monday to chip day. Children to record findings and report back to Mrs Probert.</p>	<p>Speak to Mr Hendry to discuss logistics</p>	<p>Mr Hendry would like to purchase weighing scales to purchase for the project.</p> <p>Mr Hendry will get hold of scales and we will seek to commence project on week commencing 31/10/2016</p>
<p>2) Shoe recycling</p> <p>This was a project on the previous action plan but was not carried out so the Eco council will aim to complete this action.</p>	<p>Speak to Mr Hendry to find a location to place the shoe recycling unit.</p>	<p>Mr Hendry has agreed to provide a suitable location for the container. Mr Khalid to continue to liaise with the shoe recycling company</p>
<p>3) Recycling of waste</p> <p>To look at getting more paper and cardboard in the green bins and less in the general waste.</p>	<p>Children to look into bins every lunch time and see if the incorrect waste is put into the incorrect bin-the teachers will receive a notice on their classroom door.</p>	<p>This will be done simultaneously with 'Switch it off fortnight' in November, ensuring classroom/monitors are switched off and bins are used correctly.</p>
