

Montem Academy PE Sport Grant Report 2015-16

Primary PE Sports Grant Awarded			
Total number of pupils on role		800	
Lump Sum		£8000	
Total amount SG allocated (£5 per pupil)		£4000	
Total amount of PPSG received		£12 000	
Summary of PPSG 2015-2016			
Item/Project	Cost	Objective	Outcomes
Born to Move Programme	£3580	For pupils across the whole school, from EYFS to Y6, to develop age-appropriate motor skills that improve agility, balance, coordination, endurance, flexibility and speed through the medium of dance.	All pupils to across the school experienced and benefitted from the programme. Activity levels were raised both during PE lessons and at lunch times. Children developed a love for dance and physical activity, a sense of enjoyment and enhanced social skills.
PA Systems for Aerobics, Dance and Born to Move Programme	£1760	For pupils across all key stages to have the capacity for Aerobics, Dance and the Born to Move Programme to take place.	Pupils in all key stages now able to experience dance, in its various guises, in their own key stage buildings.
To replace netting on Cricket nets	£1204.85	To increase participation in cricket across the school. To improve the quality of cricket coaching and performance across KS2. For the nets to meet health and safety standards.	Maximum use of the nets during play and lunch times. Nets well used during afterschool clubs. Cricket taught more effectively during curriculum time. Slough Champions in both boys and girls. Federation Champions Boys Federation Runners-up Girls County Runners-up Boys County Qualifiers Girls (competition was rained off)
Affiliation to Slough School Sports Network	£4776	Staff to receive high quality CPD from PE Specialists. PE leader to receive training across a range of sporting disciplines and attend regular coordinator meetings. Entrance fees into a wide range of competitions and festivals against other schools and across the County. External sports coaches to deliver high quality coaching across a range of sports.	43% of pupils took part in over 20 different extracurricular activities. We entered 7 NGB competitions at level 1 and 5 at level 2 with 12% of our children performing sports leadership roles. Staff confidence and the quality of teaching have improved. Unfortunately, our PE lead was only in school for 3 months this year so was unable to benefit from the bespoke training and meetings.

Cycle Leaders Course x2	£220	For 2 members of staff to be qualified to lead off-site bike rides.	Range of in school cycling opportunities offered across both KS1 and KS2. Groups taken off site twice by the 2 said members of staff on bike rides around the local area. Increase of 10% in pupils that cycle to school.
Thames Valley Athletic Centre Hire	£100	Hire of the venue at which the Federation Athletics was to be held.	Almost 200 athletes competing at a world class venue, with over 400 Y6 spectators watching from 5 different academies. Participation, enjoyment, confidence and personal performances all at a premium.
Umpires for Federation Cricket Tournament	£40	Officials hired to ensure consistency for all teams in all matches.	Professional, fair and consistent umpiring, benefitting all schools.
Medals/Trophies	£320	Sports day and Academy medals and trophies purchased for a range of activities across KS1 and KS2.	Sense of achievement experienced by medal winners. Children spurred on to strive to achieve their goals. Incentive given for children to try their best.
Summary			
Total PPSG Received		£12000	
Total PPSG Expenditure		£12000.85	
Total Remaining		-£0.85	

MONTEM ACADEMY 2016-2017

SPORTS FUNDING

What is the Sports Premium?

The government is providing funding of £150 million per annum to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children

What is the purpose of the grant?

Schools must spend the additional funding on improving their provision of PE and sport, but have the freedom to choose how they do this. This might include:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs, e.g. the Change4Life clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in the School Games
- run sports activities with other schools

How have we planned to spend it?

- Participating in Inter-academy sporting events- (£600)
- Joining the Slough School Sport Network (SSSN). This provides support for Slough schools including professional development for teachers/teaching assistants and supporting resources such as schemes of work and assessment tools; entry into all School Games and SSSN competitions and associated costs. £4,500
- By providing a broad and varied afterschool club programme organised and run by qualified coaches. £2000
- Subsidised swimming lessons to enable more children to swim at least 25m. £400
- Providing specialist teaching for all pupils through the 'Born to Move' programme £3,500
