

Football @ Montem

As you might expect the autumn months are packed full of football, football, football.

On Thursday 1st November our Years 5 and 6 Girls Football team competed in their first tournament which was run by Slough Town FC at Arbour Park. The winners of this event will go on to represent Slough Town FC in the next stages of the competition. There will then be a North/south tournament to establish the two finalists who will then play at Wembley Stadium.

Montem started very well playing extremely fast with good passing; lots of movement around the pitch and lots of goals. Our Girls Team was a very tough team to face and kept the pressure on every other school.

Sadly, we did not qualify for the semi-finals but we are a very young team that certainly looks very well prepared for next year!

Well done to all the girls in the squad.
