

Gymnastic Competition

This morning (Friday 7th December) Montem entered a Gymnastics competition run by the Slough School Sports Network at Herschel Grammar School.

The competition required teams of 6 to show 2 passes on the Vault, Trampette and finally a tumble. The first pass had to be a team routine in a stream (one after the other) and the second pass an individual routine in a stream.

After the 2 passes were completed a group of judges gave each team a score out of 10 and the final scores put Montem in third place!

Considering many of the pupils had only started Gymnastics this September I think they should be very proud!

Well done to our Montem Gymnastics team.
